

Important Information for Parents

Breakfast: For those who do not know, St. Timothy's has breakfast available for kindergarteners at no cost. So if your son or daughter would like to eat breakfast here, just have them come in the morning and see me.

Take Home Folders: Every night the students will take home a folder. That folder contains information for you, their beautiful works of art, and their homework for the night. If you have anything for me, feel free to put it in your child's folder and remind them to hand it to me in the morning. I also look in the folders as well, so if they forget it's no big deal. The folder should come back to school with them everyday.

Snacks: In Kindergarten we all share the same snack. It would be very helpful if families could bring in 2 boxes of snacks to share. However, if you would like to have your son or daughter bring in their own snack that is fine as well. Just let me know what works best for your family.

Contact: If you need to get ahold of me for any reason my e-mail is probably the best way to contact me, asernett@churchofsttimothy.org. Or you can call the school office and leave a message with Sharon or a voicemail, my extension here at school is 230. (Messages with Sharon get to me quicker.)
