Student Immunization Form FOR SCHOOL USE ONLY Student Name _) Complete; booster required in) In process; 8 mos. expires Birthdate Student Number) Medical exemption for Minnesota law requires children enrolled in school to be immunized against certain) Conscientious objection for) Parental/guardian consent diseases or file a legal medical or conscientious exemption. Parent/Guardian: You may attach a copy of the child's immunization history to this form OR enter the MONTH, DAY, and YEAR for all vaccines your child received. Enter MED to indicate vaccines that are medically contraindicated including a history of disease, or laboratory evidence of immunity and CO for vaccines that are contrary to parent or guardian's conscientiously held beliefs. Sign or obtain appropriate signatures on reverse. Complete section 1A or 1B to certify immunization status and section 2A to document medical exemptions (including a history of varicella disease) and 2B to document a conscientious exemption. Additionally, if a parent or guardian would like to give permission to the school to share their child's immunization record with Minnesota's immunization information system, they may sign section 3 (optional). For updated copies of your child's vaccination history, talk to your doctor or call the Minnesota Immunization Information Connection

School Personnel: Be sure to initial and date any new information that you add to this form after the parent/guardian submits it. Also, record combination vaccines (e.g., DTaP+HepB+IPV, Hib+HepB) in each applicable space

Additional exemptions:

(MIIC) at 651-201-5503 or 800-657-3970.

- Children 7 years of age and older: A history of 3 doses of DTaP/DTP/DT/Td/Tdap and 3 doses of polio vaccine meets the minimum requirements of the law.
- Students in grades 7-12: A Tdap at age 11 years or later is required for students in grades 7-12. If a child received Tdap at age 7-10 years another dose is not needed at age 11-12 years. However, if it was only a Td, a Tdap dose at age 11-12 years is required.
- Students 11-15 years of age: A 3rd dose of hepatitis B vaccine is not required for students who provide documentation of the alternative 2-dose schedule.
- Students 18 years of age or older: Do not need polio vaccine.

Instructions, please complete: Box 1 to certify the child's immunization status	me				
Box 1 to certify the child's immunization status Box 2 to file an exemption (medical or concientious) Box 3 to provide consent to share immunization information (optional)					
Certify Immunization Status. Complete A or B to indicate child's immunization status.					
A. Received all required immunizations: I certify that this student has received all immunizations required by law. Signature of Parent / Guardian OR Physician / Public Clinic Date	B. Will complete required immunizations within the next 8 months: I certify that this student has received at least one dose of vaccine for diphtheria, tetanus, and pertussis (if age-appropriate), polio, hepatitis B, varicella, measles, mumps, and rubella and will complete his/her diphtheria, tetanus, pertussis, hepatitis B, and/or polio vaccine series within the next 8 months. The dates on which the remaining doses are to be given are:				
	Signature of Physician / Public Clinic Date				
A. Medical exemption: No student is required to receive an immunization if they have a medical contraindication, history of disease, or laboratory evidence of immunity. For a student to receive a medical exemption, a physician, nurse practitioner, or physician assistant must sign this statement: I certify the immunization(s) listed below are contraindicated for medical reasons, laboratory evidence of immunity, or that adequate immunity exists due to a history of disease that was laboratory confirmed (for varicella disease see * below). List exempted immunization(s):	B. Conscientious exemption: No student is required to have an immunization that is contrary to the conscientiously held beliefs of his/ her parent or guardian. However, not following vaccine recommendations may endanger the health or life of the student or others they come in contact with. In a disease outbreak schools may exclude children who are not vaccinated in order to protect them and others. To receive an exemption to vaccination, a parent or legal guardian must complete and sign the following statement and have it notarized: I certify by notarization that it is contrary to my conscientiously held beliefs for my child to receive the following vaccine(s):				
Signature of physician/nurse practitioner/physician assistant Date *History of varicella disease only. In the case of varicella disease, it was medically diagnosed or adequately described to me by the parent to indicate past varicella infection in (year)	Signature of parent or legal guardian Date Subscribed and sworn to before me this: day of 20				
Signature of physician/nurse practitioner/physician assistant (If disease occured before September 2010, a parent can sign.)	Signature of notary				
3. Parental/Guardian Consent to Share Immunization Information (optional): Your child's school is asking your permission to share your child's immunization documentation with MIIC, Minnesota's immunization information system, to help better protect students from disease and allow easier access for you to retrieve your child's immunization record. You are not required to sign this consent; it is voluntary. In addition, all the information you provide is legally classified as private data and can only be released to those legally authorized to receive it under Minnesota law. I agree to allow school personnel to share my student's immunization documentation with Minnesota's immunization information system:
