**Prayer for the Helpless Unborn**

*Heavenly Father, in your love for us, protect against the wickedness of the devil, those helpless little ones to whom You have given the gift of life.*

*Touch with pity the hearts of those women pregnant in our world today who are not thinking of motherhood.*

*Help them to see that child they carry is made in Your image, as well as theirs, made for eternal life.*

*Dispel their fear and selfishness and give them true womanly hearts to love their babies and give them birth and all the needed care that a mother alone can give. We ask this through Jesus Christ, Your Son, Our Lord. Amen.*
