St. Timothy's Parish School is committed to providing quality Catholic Education through the cooperative efforts of the faith community.

SPRING BREAK TRAVEL

As families begin to prepare for spring break and potential travel, we would like to make sure you are aware of the current requirements for St. Timothy's School. We recognize most car travel is very low risk, but want parents to be informed when choosing where to travel. We want to be sure that families are completely transparent about any planned travel and that we have a chance to have a conversation about the travel, if necessary. Our current expectation is that you follow the guidance outlined by the CDC.

Below is a link that will help our school community assess the risk of planned travel and will allow us to make informed decisions.

As always, our number one goal is to keep our students in school and all of our staff healthy. Thank you for your cooperation.

EMERGENCY SCHOOL CLOSING

Should it be necessary to close school at anytime due to inclement weather, an announcement will be made over WCCO (830), and channels 4,5,9 and 11. When the weather is severe and **Maple Lake School District #881 closes, St. Timothy's School will also be closed.** An email to all parents will be sent as soon as information becomes available. **If you signed up for Text notification through Sycamore, you will also be notified via text.**

At times you may need to make your own decision about sending your child since the weather is not the same throughout the district. You are urged to be alert to the possibility of an early school closing should any kind of emergency arise. Please instruct your child as to what to do in case of an emergency and you are not home. If your emergency information needs to be updated, contact the school office. Thank you!

Catholic Schools Week Prayer

Dear Lord,
Continue to bless our Catholic Schools. Help them continue to be a source of wisdom to learn about your love for us. May all who enter their classrooms be filled with the gift of your Holy Spirit and come to know You in a more meaningful way. May Catholic education grow so that Your good news can be taught to children from all around Your world. Amen.
