

FlipGive Fundraiser

Dear St. Timothy's families,
Did you know that you can help earn money for St. Timothy's School with your Christmas shopping this year?!

We are excited to once again have the FlipGive Fundraiser for our school!
FlipGive works like a cashback bonus program, where you can easily earn money for our school!

Plus Half of what each family raises through FlipGive will go towards their tuition for the following school year!

The other half will go to the school! This is a great opportunity to earn money not only for the school, but also for your tuition for the following school year! *(*Note if you do not return to St. Timothy's the following school year, the money you raised will all go directly to the school. FlipGive campaigns will run July 1-June 30)*

You can use it on your computer, or on the FlipGive App on your phone. Through FlipGive you can earn cashback for our school by: purchasing gift cards (both physical and e-cards), donating directly, or by clicking on the links from our FlipGive store page to make online purchases, or by linking your credit card to your FlipGive account.

One of the Great things about FlipGive is that you can earn money for our school simply by purchasing things you already need! Buying a gift? Going out to dinner or grabbing fast food? Christmas shopping? Purchasing items for home remodeling? Booking a hotel online? Or just shopping online? All of these are Great ways to earn money for our school! You can earn anywhere from 1-40% for our school! Some Top Brands are: Old Navy, Nike, Under Armour, Buffalo Wild Wings, Lowes, Burger King, Hotels.com, Lands End, New Balance, itunes, Domino's Pizza, Walmart, Target and so many more! FlipGive also gives the option to simply make a Donation as well!

Another great thing about using FlipGive is that there is an App you can download directly on your phone to shop or purchase gift cards. Purchase an e-gift card on your smart phone and it will be available to use immediately while you're out shopping or out for dinner! Gift cards are saved on your phone under *My Wallet*, and they can scan them in the store. You can also shop directly through the phone app. If you don't have the FlipGive app you can also use it on your computer. You can also connect a credit card to your FlipGive account and use that credit card in stores to earn cashback.

You can also share our FlipGive link with family and friends and they can use it to earn money for our school with their shopping as well!

When you sign up for FlipGive, **Parents of children at St. Timothy's** are considered **Teammates**. A Teammate is someone who benefits directly from this fundraiser. Grandparents and other relatives would not be considered Teammates but there are special links just for them to use. They can search for our school on FlipGive (see below) and choose what family receives credit for the cashback they earn, or they can use a link sent from you directly. This link would credit your family for the cashback earned with their purchases.

The more you earn for our school, the more you earn for your Tuition next year!

Let's work together! Spread the word and share with your family and friends!

Shop. Get. Give.
